

Common Name:  
Goden Nugget Mandarin

Scientific Name:  
*Citrus reticulata* 'Golden Nugget'

Family Common Name:  
Rue or citrus family

Family Scientific Name:  
Rutaceae

Harvest Season:  
February to June

Source:  
California Tropical Fruit Tree Nursery

Description:  
Developed in the 1950s by U.C. Riverside. It is a hybrid of the Wilking ('King' tangor x 'Willowleaf' mandarin) and Kincy mandarins ('King' tangor x 'Dancy' mandarin). Seedless, easy-peeling, hybrid with rough, bumpy, orange rind, rich sweet flavor, and excellent on-tree storage capabilities.
